The students who had represented Inter-University; State and National level competitions and secured the first position in University level were felicitated and were

presented with TRACK-SUITS, SHOES, T-SHIRTS, and Momentos on the occasion of Dr. PAJABRAO DESHMUKH JAYANTI on December 27th 2001.

Physical activities and sports play an important role in human resources development and exercise is an important requirement for good health in human life.

As stated by Swami Vivekanand's " **Strength Is Life and Weakness Is Death** ".

It is rightly said a person should have a ' **Sound mind in sound body** '

We should stress on allround development of students i.e. mental, physical, emotional & social.

Regular exercise is absolutely essential. We should take necessary steps for overall development of students who are assets to our Nation.

The report shall remain incomplete if I do not mention the names of those who provided their guidance and suggestions.

It is only due to the efforts of our Hon'ble Principal Dr. B.B.Taywade who provided all the required facilities and valuable guidance. We could organise such events, I take this opportunity to thank our Hon'ble Principal on behalf of our staff and students for rendering these facilities.

We hope that the blessings of Hon'ble Principal will continue to be with us. I must express my deep regards for the sports secretary Prof. N.V.Chopade & Prof.-In-Charge of various games and my colleagues. They are indeed fountain of inspiration to me. Their guidance and co-operation have been source to boostup our interest and activate potentials of students.

I would like to extend my cordial thanks for all those who helped directly and indirectly in all activities.

In conclusion while highlighting the activities of the whole year, we find that the general interest in physical activities and sports is increasing and this is a prosperous sign for the future to come .

Jai Hind.

M. G. Fukey,
Head of Department
Department of Physical Education
and Recreation.
