Physical activities & Sports play an important role in human resource development & exercise is an important requirement for good health. As Swami Vivekananda says 'Strength is life & Weakness is Death'. So we can say that a person enjoys a sound mind in a sound body. We have to concentrate on overall development of students who are asset to our Nation.

It is only due to the efforts of our Hon'ble Principal Dr. B. B. Taywade who provided all the required facilities & valuable guidance, we could organize such events. I take this opportunity to thank him on behalf of our staff, students & Physical Education Department for rendering these facilities. We hope that the blessings of Hon'ble Principal will continue to be with us. I must express my deep regards for the Secretary, Sports Council & In- charge of various games & my colleagues. They are indeed a source of inspiration to me. Their guidance & co-operation have been an impetus to boost up our interest and activate potentials of students.

I would like to extend my cordial thanks to all those who helped directly & indirectly in all these activities

Jai Hind!
