

## IQAC in Quality Assurance

---

The institution is governed and managed through proper structural mechanism guided by its mission, vision, core values, and quality improvement policies. The IQAC works through 51 functional working committees in decentralized and participative mode towards enhancement and sustenance of quality of education.

This assures the consistency in the quality of education delivered by the institution. Some of the regular activities conducted by the IQAC every year consist of;

- PowerPoint Presentations by HODs and Conveners of Support Services
- Submission of AQAR
- Motivational Lecture for Non-Teaching Staff
- Feedback from various Stakeholders
- ICT Orientation for Students and Teachers
- University Level PPT Competition on Quality issues in Higher Education
- Publication of Exploration, Peer reviewed Indian Journal of Multi Discipline

Some of the other initiatives in enhancing and sustaining assured quality by IQAC include;

<b>Year</b>	<b>Name of quality initiative by IQAC</b>
2017-18	Institutional Seed Money for Research, Seminar, Conferences & FDP
	Academic and Administrative Audit
2016-17	Publication of Spectrum, IQAC, Newsletter
	Organization of NAAC Sponsored National Seminar
	Academic and Administrative Audit
2015-16	Organization of UGC Sponsored National Seminar
2014-15	Organization of UGC Sponsored National Seminars

2013-14	Drafting and Submission of SSR to NAAC
	Organization of UGC Sponsored National Seminar

In order to make the quality sustainable, the IQAC Coordinator maintains minutes of all the meeting which are regularly held. This in turn acts as a reminder to all the institutional stakeholders and decision-makers to undertake relevant activities and programmes.
